

STARIA Lounge

STARIA Lounge

A new living space that transcends transportation
Experience a more colorful life with STARIA Lounge.

- STARIA Lounge 7 or 9 Seater
- STARIA Lounge Limousine 7 or 9 Seater
- STARIA Lounge Camper

Design

Fluid lines based on the 'Inside Out' theme and a design focused on openness deliver a mystical and futuristic vibe.

'Inside Out' is the new design theme of Hyundai's future mobility that expands the spatial orientation and openness of the interior to the exterior of the vehicle.

7-seater Inspiration(Abyss Black Pearl)

A sensuous single-curve contour and an elegant design exclusive to STARIA Lounge offer a premium look.

Full LED Headlights

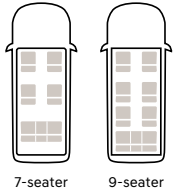

LED Rear Combination Lights
18-inch Wheels

7-seater Inspiration Full Option(Gray) featuring STARIA Lounge-exclusive designs and Ambient Mood Lamps for enhanced elegance

Convenience and luxury are complemented by outstanding openness to create an attractive space that resembles a cruise ship lounge.

9-seater Inspiration Full Option(Gray)

7-seater Inspiration Full Option(Gray)
9-seater Inspiration Full Option(Brown)

2nd Row Independent Swivel Seats

Featuring seats that swivel up to 180 degrees independently to offer greater functionality and convenience.

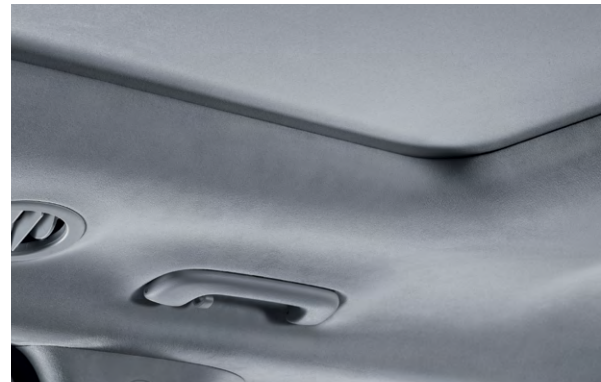

2nd Row Premium Relaxation Seats

The one-touch Premium Relaxation Seats adjust automatically to passenger's settings for greater comfort.

**10.25-inch Color LCD Cluster(Open type)**

The wide 10.25-inch cluster LCD display offers better visibility and a more enjoyable driving experience thanks to unique graphic displays.

**Suede Interior**

The soft suede trim enhances the luxurious interior.

**Bose Premium Sound**

Enjoy a rich audio experience while driving thanks to the finely tuned 12 high-performance speakers and subwoofer offered exclusively by Bose

**Ventilated 2nd Row Seats**

The ventilated seats in the 2nd row ensure passenger comfort.

Function

Advanced convenience features that go beyond conventional constraints offer a superior driving experience.

10.25-inch Navigation System(BlueLink, Phone Projections, and In-car Payment)

Enjoy a comfortable driving experience with the wide-screen high-resolution navigation system.

In-car Payment

Register your credit card with the In-car Payment app to use at affiliated stores and other businesses without the need for your actual credit card. With a simple tap on the navigation display, you're able to pay for fuel, parking and more

Track Vehicle Location

Track and share the location of the vehicle, trip destination, and remaining driving time for greater convenience.

Car to Home

Remotely control your IoT-enabled home electronics through the navigation system or via voice commands from inside your vehicle.

Full Auto Air Conditioner

The fully automatic air conditioner maintains an optimal interior climate by monitoring and displaying the level of air quality inside while also purifying the air.

* The After-Blow system is available only on diesel and hybrid models.

Experience unprecedented mobility through out-of-this-world advanced convenience features.

Hyundai Digital key

Use the Hyundai Digital Key on your phone to lock and unlock your doors and even start the engine. Digital Key both recognizes and offers individualized services to multiple authorized users.

* Digital Key is available on NFC-enabled phones only. Visit the Hyundai website to view the current list of supported devices.

* Apple's restricted support for NFC technology does not allow the smartphone-based Digital Key to be used on iPhones

Built-in Cams

A video recording device with high-resolution cameras mounted front and back allows for easier recording through various modes including all-time, parking, time lapse and event modes.

Rear Seat View / Rear Seat Communication

The microphone installed in the driver's seat and the 2nd row camera enable communication with rear passengers.

* The rear seat view is available only when parked.

Smart Power Tailgate(Away Close Tailgate)

The tailgate opens automatically when the driver stands near the rear of the vehicle, and closes when the person walks away.

Smart Power Sliding Door

If the driver stands near the vehicle door for a period of time with the digital key, the door slides open automatically without needing to press a single button.

Driving

Our first crosswind stabilization control system provides stable driving performance with active control technology.

Diesel VGT 2.2

177 Max. Power PS/3,800rpm **44.0** Max. Torque kgf-m/1,500-2,500rpm

10.8 Combined Fuel Economy km/ℓ(7-seater, 2WD, 18-inch Tires, Built-in Cam)

SmartStream LPG 3.5

240 Max. Power PS/6,000rpm **32.0** Max. Torque kgf-m/4,500rpm

6.7 Combined Fuel Economy km/ℓ(7-seater, 2WD, 18-inch Tires, without Built-in Cam)

Smartstream Gasoline 1.6 Turbo Hybrid

245 Max. System Power (gasoline engine : 180PS, electric motor : 54kW)

37.4 Max. System Torque (gasoline engine : 27.0kgf-m, electric motor : 304Nm)

12.6 Combined Fuel Economy (based on 9-seater/18-inch tires, without built-in cam)

Crosswind stabilization control system

The crosswind stabilization control system actively controls lane departures caused by strong crosswinds to maintain existing driving direction and ensure driving stability.

HTRAC

Multi-link Rear Suspension

Safety

The advanced safety features of STARIA Lounge safeguard everyone on board.

※ The images below are shown to better illustrate the safety features included, and some images contain features from other STARIA trims.

Safe Exit Assist

Keeps all doors closed when an approaching vehicle is detected from the rear or sides after the vehicle has stopped and alerts the driver when one or more of the vehicle's doors begin to open.

Driver's Knee Airbag

STARIA Lounge safely protects its passengers from collisions in any direction with the 7-airbag system, including a driver's knee airbag.

3-point Seat Belts and Headrests for all passengers

STARIA Lounge offers 3-point seat belts and headrests for all passengers for a safer and more comfortable driving experience.

Advanced Rear Passenger Alert(Radar-based)

Sensors detect and alert the driver if passengers are present in the rear seats to prevent accidents.

Hybrid

STARIA Lounge Hybrid secures more luxurious driving experience with its e-Motion Drive system, great fuel efficiency, and quietness.

Hybrid 7-seater Inspiration (Ecotronic Gray Pearl)

e-Motion Drive (e-Comfort Drive + e-Dynamic Drive)

A hybrid-exclusive system that uses a variety of technologies, including electric motors, to deliver a superior ride and improved handling.

• e-Comfort Drive

e-Ride Gen1

Experience enhanced comfort and stability every time the vehicle encounters a speed bump with motors that counteract the vehicle's sway.

• e-Dynamic Drive

e-Handling

Controlling drive torque to maintain optimal tire traction during turns improves maneuverability and helps ensure a more stable driving experience.

e-EHA

Controls the motor to maximize grip during emergency steering, reducing vehicle skidding and improving frontal collision avoidance.

Traffic-Focused Control

By leveraging GPS navigation road data (on highways), unnecessary engine starts during stop-and-go situations in congested areas are minimized to enhance the ride experience.

Hybrid-exclusive Features

A variety of dedicated features, including driving and fuel economy information, energy flow charts, ECO driving, and more, make driving fun and smart.

※ Hybrid models are exclusive to STARIA Lounge models (not included in STARIA Lounge Limousine, STARIA Lounge Camper)

Hyundai SmartSense

Your mobility is safer with Hyundai SmartSense.

Forward Collision-Avoidance Assist

Alerts the driver of the potential for a forward collision when vehicles in front suddenly slow down or stop, if there are pedestrians or cyclists in front of the vehicle, or if there are vehicles approaching from the other side when turning left at a junction. The system also activates the brakes in the event of an impending collision.

Rear Collision-Avoidance Assist

Alerts the driver of the potential for a collision from the rear when the turn signal indicator is switched on for lane changes.

Intelligent Speed Limit Assist

The front view camera recognizes speed limit signs and processes the information, alerts the driver, and assists the driver in staying within the speed limit.

Driver Attention Warning

Monitors and displays the driver's attention level, issuing warning messages on the cluster display and sounding an alarm if the driver's level of alertness drops to "inattentive".

Navigation-Based Smart Cruise Control

Ensures safe driving once it is switched on, by automatically adjusting vehicle speed on highways based on navigation data. The smart cruise control reduces vehicle speed automatically within safe driving zones and curved sections of the road.

Highway Driving Assist

Helps maintain a safe distance on the highway from the vehicle in front, steering the vehicle so it remains centered within its lane at a speed preset by the driver.

Surround View Monitor

Displays the vehicle's surroundings for safer parking.

Rear Cross-Traffic Collision Prevention Assist

Monitors areas to the left and right when the vehicle is in reverse and alerts the driver of any approaching traffic on either side. The brakes activate, if necessary, to avoid an impending collision.

※ Since the advanced driver assistance system (ADAS) is a function that assists the driver's operation, always drive with caution. ※ The function may not operate smoothly or properly depending on the surrounding environment and driving conditions. In addition, the function may operate with restrictions depending on the regulation related to the certification of the advanced driver assistance system. For details, refer to the owner's manual. ※ The above specifications are applied differently depending on the trim, powertrain, and specifications directly selected by the vehicle purchaser in consideration of price and preference.

STARIA Lounge Limousine

With a diverse range of convenient features ensuring luxurious comfort, the STARIA Lounge Limousine provides occupants with a venue for relaxation to enjoy life's abundance.

9-seater Limousine (Creamy White)

7-seat Limousine

Starry Sky

Starry Sky mood lighting in the headliner completes the well-appointed and upbeat interior vibe just as the stars light up the night sky.

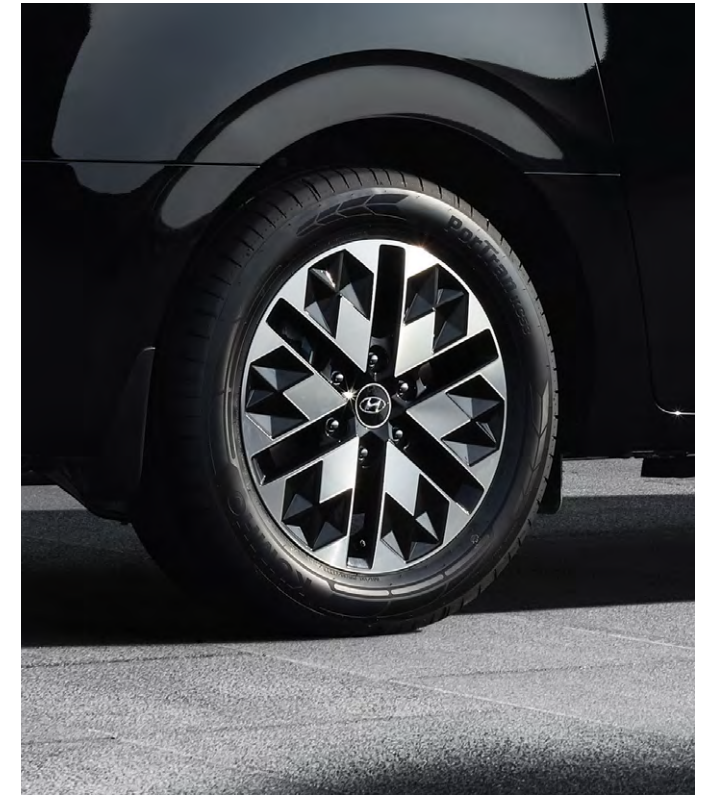

High Roof

The high roof design is imbued with a sense of unity to create a uniquely opulent, classy, and spacious interior space.

Electric Side-step

The side-step deploys when the power sliding door is opened and closed to help the rear passengers get in and out of the vehicle.
※ The electric side-step is only available on the second row of the passenger side of the vehicle.

18-inch Exclusive Limousine Wheels

The black, high-gloss finish of the 18-inch alloy wheels adds to the opulence of the STARIA Limousine.

Movable Console

The console for the rear cabin passengers includes an expandable table, cup holders, and USB C-Type ports (two ports for charging), and can be adjusted based on the occupants' needs. (Slides up to 2nd row in the 7-seater, and up to the 3rd row in the 9-seater model)

Built-in Air Purifier

An integrated HEPA filter (H13 grade) and activated carbon + zeolite composite provide exceptional filtration of ultrafine dust and harmful indoor gases.

25-inch Rear Display

Immerse yourself in a variety of media content with a 25-inch large display. (Features terrestrial HD DMB, wireless mirroring, HDMI, USB port for photos/videos/music playback)

STARIA Lounge Camper

With expandable camping space and high-quality amenities for your next big outdoor adventure, the STARIA Lounge Camper ensures an enjoyable and stress-free experience without worries even on longer trips.

4-seater Camper (Creamy White)

Mosquito Net(Optional)

The mosquito net allows cool natural air to blow in and ventilate the vehicle in summer while preventing the intrusion of a wide range of insects.

External Power and Fresh Water Supply

A wide range of enjoyable outdoor activities are made possible with the inclusion of power and fresh water supply that can be used outside.

Shower

With the installation of a detachable shower head, enjoy a quick shower even when outdoors.

Side Shelves

Shelves are provided on the sides of the third row, adding space that can be used as a small table or a simple dining table.

Sliding Back Facing Table

Storing the sliding table in the lower part of the rear of the cabin makes it possible to quickly and easily set up the outdoor table without additional equipment.

Bottom Cabinet

Space is provided at the bottom of the sink faucet set to allow for efficient storage space.

Interior

The interior features bright lights situated throughout the cabin, 2nd row electric seats that can be infinitely adjusted and a 3rd row bench bed complete with an optimal and personalized resting space.

Sink Faucet Set & 36ℓ Built-in Fridge

Makes long-distance travel and camping easier by storing and handling food in a hygienic environment.

Folding Indoor Table

STARIA Lounge Camper features a foldable indoor table to increase the convenience of indoor space utilization.

12.1-inch Foldable Integrated Controller and Monitor

The foldable controller and monitor enable electronic operation of a diverse range of in-vehicle functions.

Rear Curtain(Optional), Rear Speakers

A blackout curtain and speakers are installed at the rear of the vehicle to enhance concentration when listening to music or watching videos.

TV Viewing Mode

With the second-row full-flat seats and third-row bench bed fully reclined, and the ends of the third-row bench bed raised, occupants can sit back and watch TV in comfort.

Driving Mode

The electric full-flat seats allow occupants to relax comfortably and freely adjust their seating posture even when in motion.

Rear Facing Mode

When camping, change the orientation of the third-row bench bed to make it rear-facing for a better view of what's outside.

Touch-type Rear/Shelf Interior Lamps

Lamps are installed at the rear of the cabin and at the top of the side shelves to enhance access to indoor space at night.

Mezzanine Pop-Up Lamp

Individual lamps are provided in the pop up roof sleeping area.

Awning Lamp(Optional)

The lamp situated inside the awning provides seamless access even in the dark.

Features

235/55 R18 Tiers & 18-inch Alloy Wheels

Full LED Headlights
LED Rear Combination Lights

Acoustic Laminated Glass for the front row
Flush Glass

Maintain a constant speed to drive more efficiently.

-The above fuel economy was calculated based on standard driving conditions. Actual fuel efficiency may vary depending on road conditions, driving styles, cargo weight, maintenance conditions, and outside temperatures. -Some of the photographed vehicles in this brochure depict optional features for illustrative purposes and may differ from the actual vehicles.

-The features, colors, and specifications stated in this brochure are subject to change based on improvements in the vehicle's exterior or performance. -The above engine performance data is based on the net value, which is a legal requirement applied by the Ministry of Land, Infrastructure and Transport from 1997 onwards. To produce the data, an advanced measurement method that takes into account the resistance of vehicle emissions was used. This method may generate results slightly lower than those generated by existing methods based on the gross value. -The leather upholstery partially consists of synthetic leather. -The vehicle colors printed in this brochure may differ from the actual colors. -All of the measurements in this brochure apply to the diesel-powered models. Therefore, the specifications and the features of the LPG-powered models might differ. -Hyundai Motor vehicles are sold at prices uniformly applied for the same products everywhere across the country to promote fair business practices.

-Use of engine oil or fuel that is of low quality may result in damage to the vehicle. -Please refer to the owner's manual for details about new technologies and features stated in this brochure.

The images presented here are intended to inform customers and display the best models and options. The specifications described above vary by option, package, powertrain, and exterior color. For specification details by model, please refer to the monthly price table.
