

GRAND STAREX

9-Seater Exclusive (Taiga Brown)

Newness and richness

Imbued with New Life

The new GRAND STAREX enriches and adds dignity and style to your daily life with its elegant and refined design.

To help make it easier for you to enjoy your favorite leisure activities, the GRAND STAREX Urban has been designed as a 9-seater model, opening up a whole new world of experiences.

Exterior_Urban

The projection headlamp with aggressive styling and refined radiator grille give the GRAND STAREX a renewed sense of presence. In addition, the new wheel design and side garnish complete the vehicle's modern and sensitive look.

※ The above image is same as that of the Exclusive trim. The interior and exterior of the Premium and Premium Special trims are same as those of the 11- or 12-seater wagon.

Projection headlamp

Chrome radiator grille

Side garnish (for Premium Special or higher)

Mirror-mounted turn signal lamp
(for Premium Special or higher)

17-inch front-processed alloy wheel

LED tail light

9-Seater Exclusive (Brown Leather Seat)

Interior_Urban

The new horizontal layout of the interior features a premium design and lots of space. The 8-inch navigation display and refined yet sporty steering wheel add even more to the value of the GRAND STAREX.

- ※ The above image is same as that of the Exclusive trim. The interior and exterior of the Premium and Premium Special trims are same as those of the 11- or 12-seater wagon.
- ※ Navigation map update service is guaranteed for 8 years after purchase of vehicle and may expire after that depending on situation of our company.

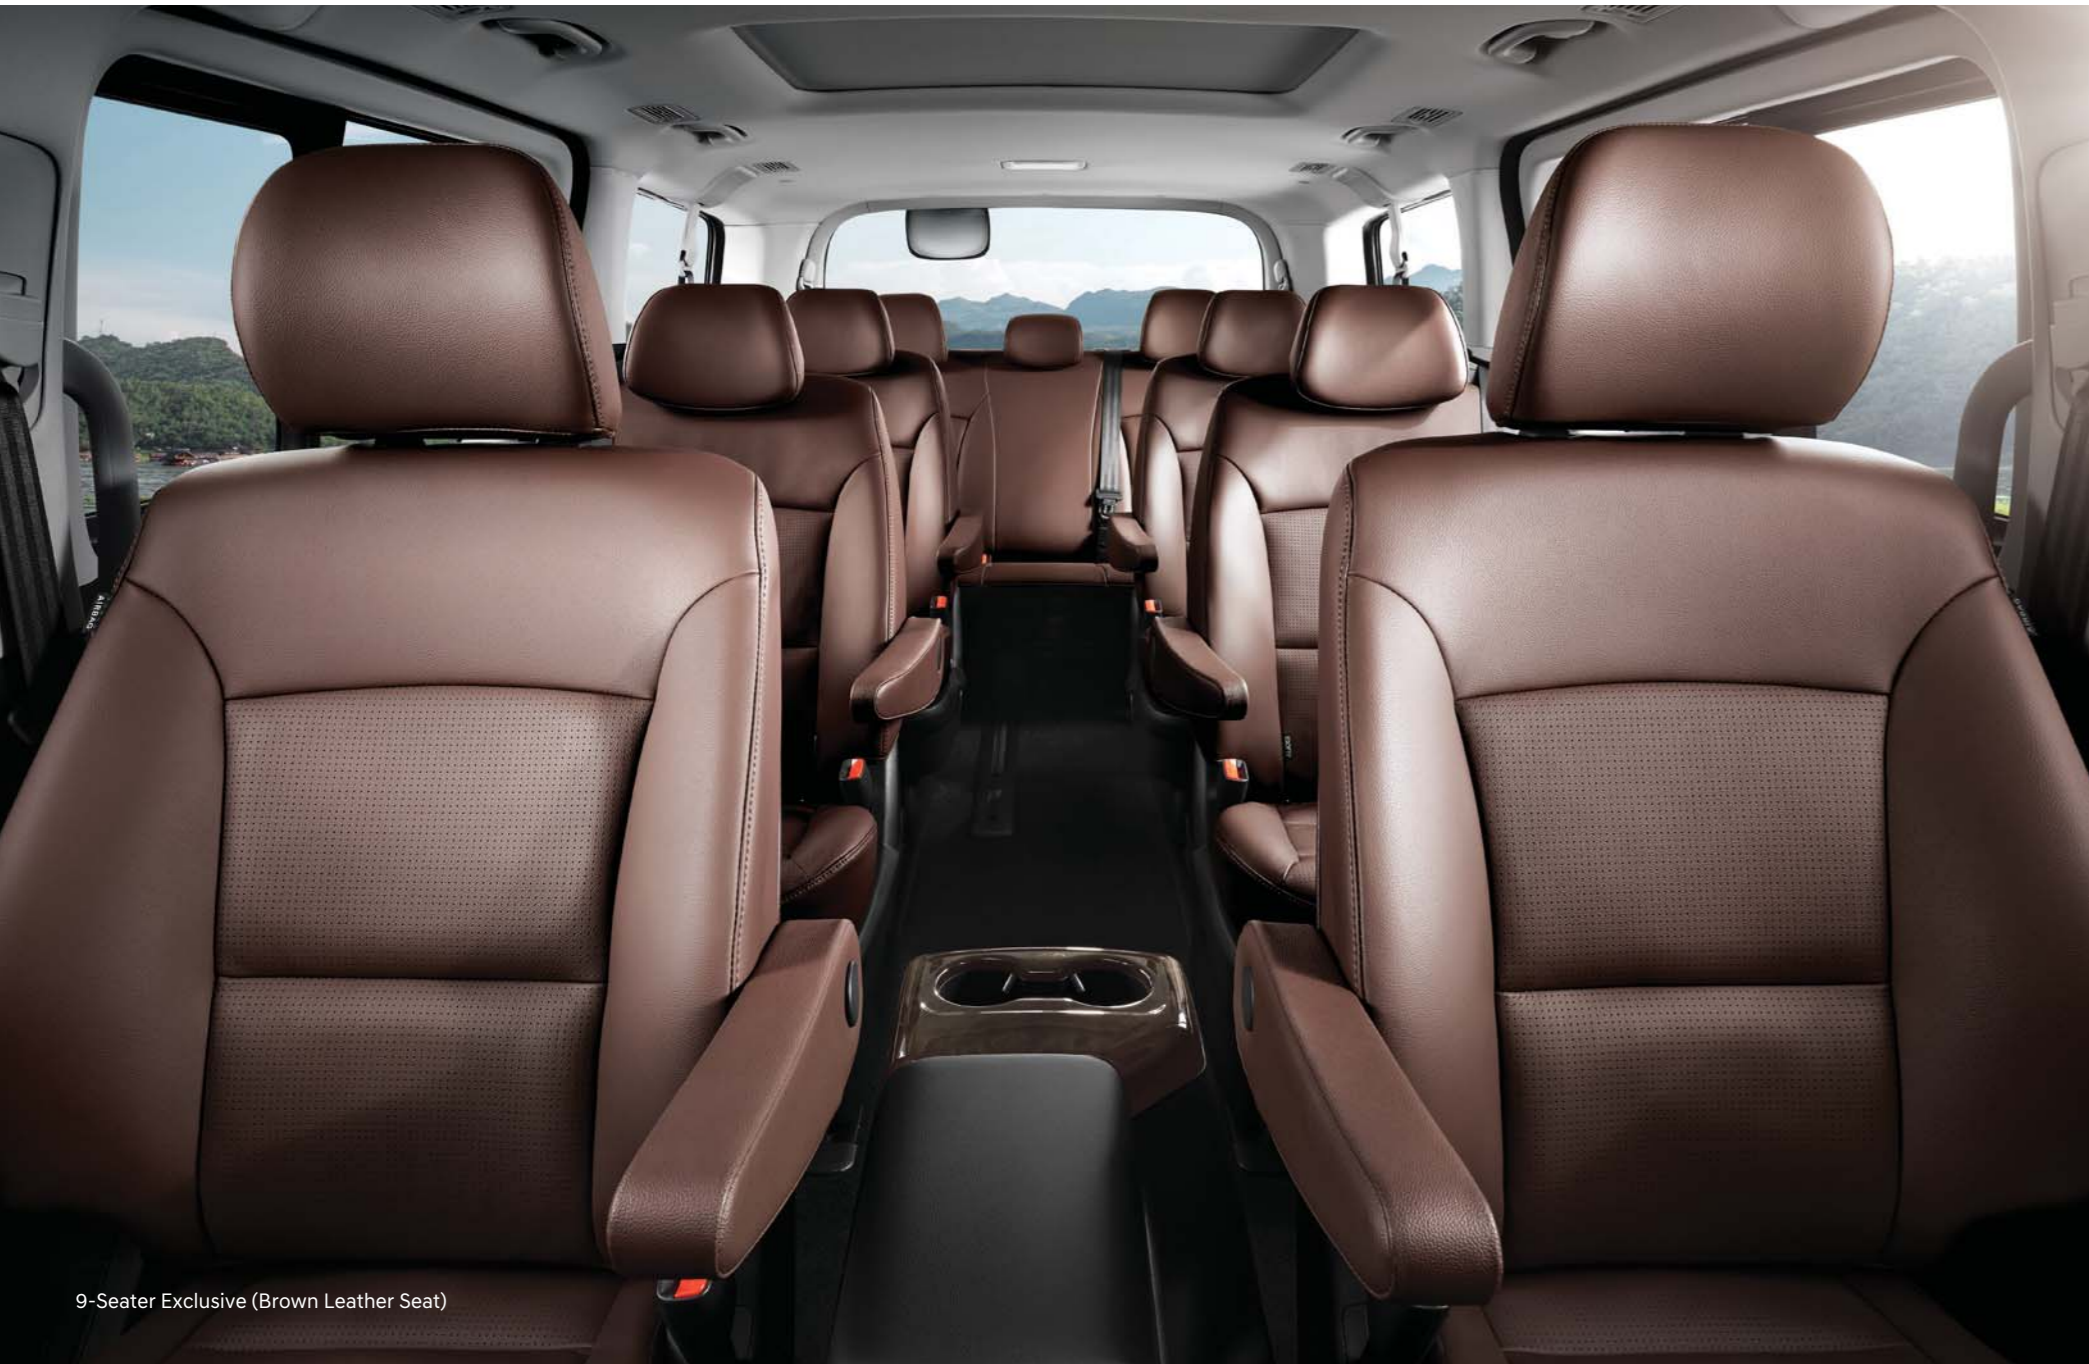

Brown interior

New steering wheel
8-inch navigation system (5th generation)

Full automatic air conditioning
New leather-upholstered shift knob

※ Terrestrial DMB is available in 320x240 (standard resolution) and 1,280x720 (high resolution). Reception may be hindered by the conditions of the radio signal propagation environment, DMB broadcast policy, and/or change(s) in the DMB provider's transmission methods.

9-Seater Exclusive (Brown Leather Seat)

Space_Urban

The brown leather seat and exclusive, high-quality materials used for the interior offer both elegance and comfort. In the Premium and Special trims, you will also find a modern and refined interior space featuring gray artificial leatherette seating surfaces.

9-seater seat variation
(Turing seat not applied)

9-seater Premium Special (gray artificial leather seat)
Second row BIS seat belt

Second row USB charger

First and second row center console with cup holder

11-Seater Modern (Hyper Metallic)

Exterior_11/12 Wagon

Creates a voluminous and dynamic image through the balance between the curved and straight lines flowing from the radiator grille and offers a refined design all the way from the headlamp to the tail light.

※ Applied to both the Urban Premium and Premium Special trims.

Clear headlamp

Black radiator grille

11-Seater Modern (Beige Leather Seat)

Interior & space_11/12 Wagon

The generous interiors of the 11- and 12-seater vans make them ideal for a wide range of uses, from business to leisure. The flexible adjustments and seat cushion tip-up capability of the seat allows for a wide variety of seat orientations and makes it possible for the van to accommodate passengers with various kinds of assistance devices.

11-seater seat variation

11-Seater (Beige Leather Seat)
12-Seater (Gray Artificial Leather Seat)

Long sliding seat
Fourth row cushion tip-up seat

9-Seater Premium Special (Hyper Metallic)

Performance & safety

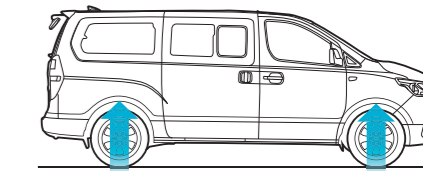

The van's eco-friendly, high-power diesel engine, which satisfies the reinforced Euro 6 emission regulations, offers incredible power and performance. It is also equipped with various safety features, including driver's seat, passenger seat, and front-row side airbags and hillstart assist control. 4WD system presents more safe driving in any environment.

175/46^{PS/kg·m}
Diesel engine 2.5 VGT

140/36^{PS/kg·m}
Diesel engine 2.5 WGT

Airbags for the driver and front passenger, first row side airbag

Hillstart assist control
Emergency Stop Signal

Maintain a constant speed to drive more efficiently.

- The above figures are based on the standard mode, and may be different from the actual figures depending on road conditions, driving habits, cargo, maintenance status, and outside temperature. - The vehicles shown in the pictures of this brochure may have old fuel consumption ratings that differ from those provided here, depending on when they were manufactured. - The vehicles shown in the pictures of this brochure may contain options, and therefore may be different from the actual vehicles ordered. - The specifications and colors in this brochure are subject to change to improve the exterior and performance of the vehicles. - The above engine performance results are NET figures. "NET" figures are calculated by taking into account the resistance of the emission gas, and may be lower than the previously used GROSS figures. Since 1997, the use of NET figures has been legally enforced by the Korean Ministry of Land, Infrastructure and Transportation. - Natural leather seat may partially contain artificial leather. - The colors of the vehicles in this brochure may be somewhat different from the actual colors. - Vans (11 to 12 passengers) manufactured after August 16, 2013, are equipped with electronic speed limiters that cap their speed at 110km/h, as required by the vehicle safety standards and regulations of the Ministry of Land, Infrastructure and Transportation. - Hyundai Motor Company sells cars only through its branches and designated dealers. Hyundai Motor Company is committed to fair trade practices, with the same price and quality of vehicles nationwide. - Use of non-genuine parts (such as engine oil and transmission oil) or poor quality fuel may severely damage the vehicle. - For more information about the new technologies and specifications described in this brochure, please refer to a user's manual.

This printout has been produced to aid in customers' understanding and is based on the most premium model and options. Actual specifications may differ from those in this printout depending on the trim, package, powertrain and exterior color. See the monthly pricelist for the specific details of each model.

BLUEmembers is a comprehensive service brand that provides Hyundai vehicle owners with various benefits ranging from car maintenance service to alliance discount programs.
